90mm waste outlets

Soaking Recommendation:

While our sinks feature a durable, high-quality PVD coating, we recommend using a separate bucket or container for soaking. This helps minimise the risk of staining, chemical exposure, and surface discolouration, helping preserve the sink's finish and appearance.

CASA LUSO

Due to our policy of continuous development, all designs and measurements are intended only as a guide and are subject to change without notice. Being hand made products they are subject to a size variance E&OE. This brochure is representative of the actual products at time of printing. Please confirm all particulars before purchase. Casa Lusso recommends having the product on site before commencing rough in.
