Product warranties are personal to the person who acquires the product for their own consumption or use and not for resale or resupply. Claims with this product cannot be made by anyone other than the consumer. Where a product is covered by parts and labour warranty, the warranty covers both the repair of the defective part or the provision of a spare part to replace the defective part and the installation of that part. Where a product is covered by parts only, the warranty covers both the repair of the defective part or the provision of a spare part in replacement. It does not include the removal of the defective part or the installations of the repaired or replaced part. We reserve the right to provide minor components (e.g. handles, aerators, hoses, dress rings, washers, outlet valves, air tubes and rubber seals) as 'Parts Only' to the customer. Casa Lusso reserves the right to alter/ amend this warranty offer in writing at any time.

FAILURE TO COMPLY WITH ANY OF THE ABOVE INSTRUCTIONS WILL VOID ALL WARRANTIES

Pressure and Standards Requirements

1. Inlet pressure range 100 - 500kpa
2. AS/NZS3500 requires that all water inlets within a house must be limited to 500kpa
3. Toilets must be installed by qualified trades people to the applicable standards
4. STANDARDS REFERENCES AS/NZS3500, AS/NZS1172, AS6400

To the Installing Plumber:

Please leave this instruction booklet for the customer.

Prior to Installation

(Visual Inspection) & Installation requirements:

1. When the product has been unpackaged from packaging, please inspect the product to ensure it is in good order and condition and that all parts required for correct installation have been supplied. Any product that is faulty or has parts missing is to be returned to the store of purchase.
2. Sanitary ware products must be installed by a licensed plumber in accordance with the relevant installation instructions and all Australian Standards and local authority requirements. Failure to follow the relevant installation instructions, Australian Standards and local authority requirements will void the warranty and all-associated costs will be transferred to the end user.

INWALL CISTERN INSTALLATION (e.g. when installing inside a timber wall)

Please note: For height of measurements between bottom of flush pipe and pan, refer to your pan specifications.
