CARE INSTRUCTIONS

Clean regularly using mild soap and dry with a soft cloth.

Do not use abrasive cleaners or materials (eg. steel wool, scourers etc.), harsh detergents or citrus based cleaners on any tapware products as these may cause scratching or damage to your finishes.

Tightening or adjustment of Tapware over time is considered general maintenance.

Regularly check and clean tapware aerators / flow restrictors. Spare parts are available if required from your local Highgrove Bathrooms store.

CASA LUSSO

Due to our policy of continuous development, all designs and measurements are intended only as a guide and are subject to change without notice. Being hand made products they are subject to a size variance E&OE. This brochure is representative of the actual products at time of printing. Please confirm all particulars before purchase. Casa Lusso recommends having the product on site before commencing rough in.
