## About Us

Highgrove Kitchens is an Australian Owned business, with over 35yrs experience in crafting quality cabinetry and kitchen solutions. We have evolved and brought our unique collection of Australian Designed fully assembled modular cabinetry to homeowners, property investors and renovators.

Our Cabinet Collection has been designed for versatility and to ensure you can add personal style, add value to your lifestyle and home. You will find the latest quality finishes, designs, meticulous craftsmanship and discover why we have a reputation for blue-ribbon personal service.

Highgrove Kitchens Cabinetry is designed so it can be integrated with other styles within our collections. Our fully assembled modular kitchen cabinets, and storage solutions are delivered to you on an average in **three business days\***, **not weeks!** In doing so we can save you time and money.

Highgrove Kitchens believe like many do that **“Simplicity is the Ultimate Sophistication”** and **“Service Is the Experience One Should Enjoy”**.

## NEW HAMPTONS Collection

This collection was designed to evoke a coastal charm and sophisticated luxury feel whilst being a timeless classic. This Matte White Collection was crafted with inspiring fresh detail and finishes using Blum hardware ensuring the exclusive quality, feel and appeal, functionality, and durability. Incorporating your selection of handles to personalise your designer finish.

## STORMY Collection

This collection was designed for a traditional yet timeless result. The Matte Black finish is perfect for an edgy, bold or industrial statement in your Kitchen. The Stormy Collection was designed and crafted using DTC soft close hardware as a standard inclusion, ensuring reliability and affordability. Incorporate your selection of handles to personalise your designer Kitchen.
